

**Open Project Night - Action Team Member**

**How can we reach further into Lambeth's communities and build the most inclusive space possible?  
What support and programming is needed to support projects for a better Lambeth?  
How should our financial decision making work? And where should our income come from in the long term?  
How can we build stronger partnerships with other spaces for collective community empowerment in Lambeth?**

Since 2016, Open Project Night has been providing a collaborative space for community organisations in Lambeth to meet, connect and build a better future for our neighbourhoods. We have supported over 130 community businesses in Lambeth, ran more than 42 networking events, 15 peer-to-peer business support sessions, and counted over 1,700 attendances.

The time has come to shape the future of Open Project Night and define the next stages. You might be part of the Open Project Night community already, or you might be very familiar with Lambeth's community sector. You might work in community development, or are an active citizen with brilliant ideas and the energy to make things happen.

If you see this as your calling, get involved and make your mark!

**Brixton**

**The commitment involves:**

- Two hours per month to take part in the Action Team meeting
- Approximately one full day per month to support the delivery of action points agreed on in the meeting. These might include:
  - Outreach activities to community organisations
  - Compiling lists and data of contacts
  - Establishing new contacts with potential sponsors and partners
  - Reviewing funding proposals
  - Inputting in the set-up of facilitator training programmes

**In exchange for supporting the Open Project Night Action Team, we will provide a Hub 50 membership or £70 worth of space hire, valid at Impact Hub Brixton only, for your personal use.**

**How to become part of the Action Team?**

Send an **email to [stephanie.gamauf@impacthub.net](mailto:stephanie.gamauf@impacthub.net)**, with **Subject Line: OPN ACTION TEAM**, answering the following questions:

- Why do you want to join the Open Project Night Action Team?
- What is your experience of Open Project Night? (150 words)
- What does the idea of inclusive community space mean to you? (150 words)
- Tell us about your experience of community development in Lambeth and beyond! (150 words)
- What skills and experience can you bring to the Team? (150 words)
- Are you happy to commit one full day of support per month in addition to a monthly two-hour meeting?
