

## Open Project Night - Volunteer Facilitator

**Passionate about creating a better Lambeth?  
Got bucket-loads of energy for people and ideas?  
Had some experience of leading and facilitating? Want more?  
Got a Monday night to spare once every 6-8 weeks?**

Open Project Night is a free community incubator for good ideas that shape the future of our Lambeth neighbourhoods. The future of the food we eat, the houses we live in, energy we use, money we spend, schools we go to...

Launched by Impact Hub Brixton and Transition Town Brixton, Open Project Night takes place every Monday night from 6.30pm.

Local projects can access free space for events and meetings, find volunteers, leaders and advice. Local people can find interesting projects to volunteer or work with, trade skills, get inspiration and feedback on their ideas...

This exchange is all made possible by a skilled facilitator. Could this be you?

### Who we're looking for

We're looking for experienced facilitators or facilitators-in-training, passionate about helping create a better Lambeth, who can lead an OPN **once every 6-8 weeks**.

### Responsibilities

You will:

- Set the open, energetic, positive culture of the evening with a clear introduction and warm-up exercise
- Enable different projects to get to work and connect with supporters quickly and smoothly
- Enable projects and people to share their strengths, need and offers
- Connect newcomers to the projects that are relevant to their skills and experience
- Guide project leads to ensure quieter voices are heard and that everyone is clear on the tasks
- Guide a check-out process towards the end of the evening, allowing people to share progress made and other notices for the community
- Create an environment where everyone feels welcome and able to participate

**In exchange for supporting the Open Project Night Action Team, we will provide a Hub 30 membership or £40 worth of space hire, valid at Impact Hub Brixton only, for your personal use.**
